

Senator Kel Seliger

Monday, April 30, 2012

To my friends and neighbors in Senate District 31:

I would like to extend a friendly reminder to you that today, April 30th, is the deadline to register to vote in the state primary election on May 29, 2012!

You can register in person at the office of your county [Voter Registration Official](#), or you can register by mail by obtaining an application at that same location. To apply, you must be at least 17 years and 10 months of age on the date you apply. All voters who register to vote in Texas must provide a Texas driver's license number or personal identification number issued by the Texas Department of Public Safety. If you do not have such a number, simply provide the last four digits of your social security number. Your completed application must be received in the Voter Registrar's office or postmarked by TODAY for you to be eligible to vote in the primary election.

Do not forget that if you have moved from one place to another in the same county, you must notify the Voter Registrar in your county in writing of your new address. There are several ways to do this:

- Correct your current voter registration certificate on the back and return it to the Voter Registrar.
- Fill out a new voter registration application form and check the "change" box.
- Change your information online by going to the Secretary of State's Voter Registration Name/Address Change [website](#).

If your new address is in a different county, you must re-register in your new county.

I would encourage you to pass this important information on to family and friends. As always, if you have any questions or if I can be of any further assistance to you, please do not hesitate to contact me.

Sincerely,
